MISSOURI ADDICTION COUNSELORS' ASSOCIATION

President's Corner By Laverne Blackorby, President

Well here we are in full swing for 2011, and from the outcome of the Spring Conference, it looks like it is going to be a busy year. We had one of the largest attended conferences we have had in several years with 110 attending this spring. We gained 9 new and 1 returning to MACA as members, and the speakers were outstanding. In reviewing their evaluations, most all of you who attended felt the same way. I would like to thank all of you who attended and I hope you enjoyed the Sunday morning breakfast. We hope to be able to continue to add benefits to you as a participant at the conferences.

One thing that allows us to provide the high quality trainings that we do comes from each and every one who attends the conferences, but also those who choose to become a member of MACA. Your membership is important and it determines the direction MACA will be able to take in the coming years. MACA has less than ten percent of the certified counselors as professional members. By the end of my term I would like to see this number doubled. New members and their new ideas will be our future.

For those of you who were unable to attend, I hope to see you in the fall. Our fall conference is scheduled for October 7 through 9 at the Inn of The Grand Glaze.

Thanks again to all those who provided the highly educational groups as well as the Board of Directors who spend endless amounts of their personal time preparing and providing the highest quality conferences for you, the counselor.

Thanks to you all
Lavern Blackorby CASAC, SQP-R, ICADC

From the MACA Office By Ronnie Beaver, MACA Executive Secretary

Greetings and I hope everyone had a Great Easter. I was very happy to see so many old and new friends at the MACA 2011 Spring conference. We had a great turnout with 110 participants, and 11 vendors/sponsors. We welcomed 10 new and returned members at the conference. You all should have received your CEU certificates by now. If not, contact me at the number below. Thanks to all for their participation and hard work. Each conference, phone call and e-mail reminds me of why I have been a MACA member for almost 22 years.

You can find membership and conference information on our web site. As you check membership and conference information, please take some time to review our entire site. As you will see, the site has been updated, and looks great. Thanks to everyone who made the changes possible, you did a wonderful job. Also, current members don't forget, with each new individual member you recruit (up to 5) you get \$25 off your Fall 2011 conference registration.

We will be having elections for Board members and officers in October. You should be getting nomination forms mailed to you in September. We will also be taking nominations at the conference on October 7-9, 2011. Be thinking of who you would like to have serving on the Board. The MACA board of directors works hard to provide our membership with great benefits and conferences. I hope to see you at our 2011 Fall conference. It will be October 7-9, at the Inn at Grand Glaze, Lake Ozark, MO.

MACA contact information is: Ronnie Beaver, Executive Secretary, 816-232-3411. E-Mail; maca@socket.net, and web site; WWW.missouriaddictioncounselors.org
Thanks again for another great MACA year

It is our pleasure to invite you to the Department of Mental Health's Spring Training Institute on May 19-20, 2011. If you have attended the Spring Training Institute in the past, you know that it is a wonderful educational and networking opportunity. The conference will bring together a wide range of individuals, including mental health and substance abuse counselors, criminal justice personnel, prevention specialists and community service organizations dedicated to addressing the significant needs of those we serve.

Come enjoy a high energy opening keynote address by Mike Mayer that will both inform and challenge you to think differently about the importance of employment and how we can support people who are in recovery or who have disabilities to be employed. Mr. Mayer is a Senior Partner at Community Resource Alliance (CRA). He has worked with over 500 organizations and trained over 75,000 people in the U.S., Canada, the Middle East, the Pacific Rim, Africa, Asia, and Europe, providing training and consultation to facilitate service innovation and quality improvement for organizations that support people who are in recovery or have disabilities. MSAPCB Report for MACA By Scott Breedlove, MSAPCB Administrator

The MSAPCB office has been busy the past month with April being one of our renewal months. In addition to processing all renewals coming in, we continue to credential new professionals and provide training opportunities to our professionals. I recently returned from the National IC&RC meetings and can say after hearing reports of things going on around the country, we are truly blessed to be working in Missouri. I appreciate our professionals, my Board and our state department. I believe what keeps us motivated and on the same page is that we all realize that we are ultimately here for clients and all decisions should be viewed from the standpoint of what is best for the client.

We have a Board meeting on May 12th and are working on a number of projects that you will hear more about in the coming months including a training packet for the Department of Transportation's Substance Abuse Professional designation and possibly, the creation of an Interventionist specialization.

As always, if there is anything we can do for you, please don't hesitate to contact the MSAPCB staff at help@msapcb.com or at 573-751-9211.

PURPOSE

The Missouri Addiction Counselors Association is a not-for-profit Professional Organization for Counselors living in or working in the State of Missouri.

MISSION

MACA will actively engage in those activities which promote the integrity and professionalism of addiction counselors. MACA will provide continuing educational opportunities to addiction counselors, counselors-in-training, and other counseling disciplines. MACA will explore and pursue ideas and principals which advance the Professional recognition of Addiction Counselors in Missouri.

Did You Know.....

MACA is the only Professional Membership Association in Missouri for Addiction Counselors and other Professionals in the Addictions field.

MACA was organized in 1971 as the Missouri Association of Alcohol Counselors to provide fellowship and support for persons professionally employed in alcoholism counseling. The role and mission of MACA expanded through the years to include persons providing professional counseling for alcohol, drug, and other addictive behaviors, thus necessitating a name change to the Missouri Association of Substance Abuse Counselors. In 1992, MASAC Membership and NAADAC (National Association of Alcohol and Drug Abuse Counselors) St. Louis Chapter agreed to combine and form one professional association in Missouri. MASAC then became Missouri Addiction Counselors Association.

In 2008 MACA discontinued its affiliation with NAADAC in order to focus resources on the needs of State membership.
